**Term 2, Week 3**

The PWS Council AGM was held on Monday, 30th April. There was a good turn-out to hear progress reports from the Council Chair, College of Teachers, Coordinators, P&F, Finance and Administrator. This broad picture from the various groups operating throughout our community highlighted the enormous efforts made by so many people to achieve common goals and why our school is such a wonderful organisation to be involved with.

The formal part of the AGM involved the introduction and acceptance of a revised School Constitution. This document has been updated to more-closely reflect the current state and requirements of our growing school. Thanks in particular goes to Councillor Paul Shanahan, who facilitated the revision and spent many hours meticulously reviewing and updating this rather technical document.

The audited financial statements were presented by Sunu, our trusted and hard-working Bursar. Our financial performance continues to be very healthy, as evidenced by a relatively low loans debt-per-student ratio and a low level of outstanding fees. These positive indicators are the result of hard work and wise financial decisions by all the staff as well as commitments by parents to pay fees. The school has been able to spend money to make significant improvements around the school, while still keeping fees as low as possible.

The election of our new School Council was an interesting exercise given that we had more nominations than vacancies - the first time I know of this occurring. It’s wonderful that so many are willing to actively contribute to the well-being of our school and become involved in our children’s education. Fortunately, we found a way to accommodate all willing volunteers within the constraints of our constitution. It gives me great pleasure to introduce the 2018 PWS Council:

- David Rosling
- Peter Finlay
- Zac Leithhead
- Laila Hinsman
- Peter Franklyn
- Mark Phillips (CoT representative)
- Yvonne Suares
- Steve Grant
- Ilse van Wijngaarden
- Amanda Goodchild
- Katya Chamberlain
- Alana Robins
- Tom Müller
- Sue Wallwork
- Kewan Bond

We are very lucky to have such an enthusiastic group, who bring a wealth of skills and knowledge to our team. The Council thanked Fiona McVey and Paul Shanahan, who both have stepped down from Council membership. Both Fiona and Paul have been fantastic contributors to Council business and were a great support to me personally when dealing with the occasional difficult issue over the past 12 months.

A final thanks to Bruce and his team of dedicated staff. Managing such a dynamic and growing school as ours is an enormous task. Our Admin, Teaching, Grounds and support staff work incredibly hard to maintain such a high quality educational environment and curriculum. They continuously seek opportunities to improve, with a level of care and consideration that I believe we wouldn’t find in many other schools. We are indeed fortunate.

Kewan Bond - PWS Council Chair

**IN THE LIGHT OF A CHILD**

The world I see:

* A frozen, empty, barren wasteland it would be
* Without the work my head and heart and hands can do
  To heal it’s pain.
* All things must die and then be born anew.
* To help in this great task, that life be not in vain,
  The world needs me.

GENERAL NEWS

VACCINATIONS
For families who have opted to participate, vaccinations for Classes 7, 8 and 10 will be on Wednesday, 23rd May and Tuesday, 29th May. Please return the completed vaccination forms to the Front Office as soon as possible. If you need a replacement form please see Melanie at reception. Thank you.

SCHOOL TOUR
Our School Tour will be on Tuesday, 12th June, 9:00am-10:00am.

Come along to view our Classrooms and explore our school’s grounds. This is a wonderful opportunity to get to better understand our school’s ethos and meet some of our wonderful families and staff. A light morning tea will be provided with discussions after the tour.

If you are wanting to attend please contact reception (9417 3638) to book a place. We hope to see you there!
**THE FAMILY PARTICIPATION SCHEME**

Parents please be aware that all Family Participation Schemes (FPS) for Semester 1 are due back at the end of this Term (Friday, 29th June). If you have not got a FPS form one is attached to the back of this Pabulum, and some are available outside the Front Office.

If you want more information on how the FPS works and how to participate you may collect this information from the Front Office.

**A WINTER FESTIVAL REQUEST**

A big part of the Festival is the Winter spiral, created each year with earth, flowers, candles and glass jars. This year we are building two Spirals for the festival. One will be built for the Primary School and one will be built for the High School. It takes many glass jars to create the Spiral, therefore; at least 100-150 jars are needed for each spiral to bring it to life.

I am sending out a request for any Mexican salsa jars you may have in your clean jar collection that you could donate to a good cause. If you could remove the labels before bringing it in to me I would be truly grateful. The jars can be dropped off to the drama office (the old music room at the side of the hall), onto my desk which is straight inside the door to your left.

With thanks,

**Sarah Boyle - Festival Co-ordinator**

**EXPRESSION OF INTEREST**

**Perth Waldorf School website re-build.**

PWS has decided to investigate in the re-build of their current school website. We are seeking an experienced web developer to undertake this project.

The design of the website should be sympathetic to the anthroposophical background of the school as well as give the visitor a concise overview of Perth Waldorf School and Steiner Education.

Visitors to the new website should be able to have access to the following content:

- Overview of the curriculum
- Overview of community activities
- Image and video galleries of past work of students
- Event and resource blog
- Online enrolment forms with payment facilities
- Current available positions
- Staff overview
- Email subscription form

The new website will need to offer the following key functionalities to visitors and staff of the school:

- Easily accessible on Desktop and mobile devices
- All content needs to be updateable via a user friendly Content Management System
- E-commerce and online form submissions
- Email subscription set-up

The successful applicant must meet the following minimum criteria:

- After an initial meeting be able to articulate the total cost of the re-build and the ongoing cost to the school of support and maintenance.
- Minimum of 3 years industry experience with building corporate/educational websites.
- Experience with user experience and web development for mobile devices.
- Experience with handling Content Management Systems and E-commerce.
- Basic understanding of Steiner Education.
- Willing to work with the school’s I.T. company and demonstrate flexibility in that process.

Expressions of interest should list previous experience, provide examples of other work and address the minimum criteria. Please forward an expression of interest to Diane Smith at dmith@pws.wa.edu.au by Monday, 21st May, 2018.
FROM COMMUNITY SUPPORT

BLESSING BOWL

It’s lovely to see the blessing bowl being visited daily by many in the school community. You’re welcome to bring your own stone or shell if you wish, and matches/lighter for the tea light are with Mel at reception. Donations of crystals, shells and other small precious items are also much appreciated.

For new families, the blessing bowl is a sacred space for contemplation or prayer located in an alcove near the Front Office. Peace and blessings to you and enjoy the space.

Simone Finlay - Community Support

EARLY CHILDHOOD

REMINDERS FOR THIS WEEK
Thursday, 17th May - Cedar House will be having a Parent Teacher Meeting at 1:00pm. Parent Teacher Meetings are wonderful opportunities to discuss with your child’s teacher about how your child is progressing and behaving at School, as well as to better understand what they are currently learning in the classroom.

The Parent and Baby Group runs on Thursday afternoon each week of Term. Our aim is to provide a nurturing meeting place for parent and baby holding them in a space of warmth, over a piece of cake, a cuppa, and sharing.

This group is open to babies from newborn to one year of age.

Rosemary, the group leader, has over 20 years of experience in Childhood Education as a mothercraft nurse, pre-school educator and early childhood facilitator. She has training in Steiner Early Childhood Development as well as being a mother.

Everyone is welcome to attend
Cost $10 per session

PRIMARY SCHOOL

REMINDERS FOR THIS WEEK
Thursday, 17th May - Class 3 and Class 4 will be having their Parent Teacher Meeting’s at 6:30pm. Parent Teacher Meetings are wonderful opportunities to discuss with your child’s teacher about how your child is progressing and behaving at School, as well as to better understand what they are currently learning in the classroom.
FROM THE CO-ORDINATOR

Cultural Studies and the Noongar Language project.

Last week’s smoking Ceremony is still a memorable highlight for many children and this week the children have heard stories, rhymes and been taught more Noongar vocabulary and songs as well as a few groups having played vocabulary card games too. See photos below.

The bus shelter has become the Cultural Studies classroom it seems and the Wardong and Kulbardi are often seen and heard on the wall or up in the tree nearby having a very loud conference.

Last Friday there seemed to be a competition between the Class 5’s singing and the Wardong ‘conference’.

Fundraising for our end of primary journey celebration and yearbook
In Class 5 the students walk through our lovely bush land where they have played for so long and identify in their own words the characteristics of the local trees; they learn the names of the trees and then we go up to the woodwork classroom and look at the collection of tree branches gathered from our wider urban environment. As they look around, the open-plan rustic workshop beckons the children to explore the wonderful properties of wood.

This connection with the origins of the material is an important part of our education in using the natural resources of our world. The trees that have been cut down for reasons unknown to us are given a second life through the creation of functional and beautiful projects by the students, during which they meet some of the most interesting characteristics of the wood, and at times need to overcome difficulties to achieve their goals. The students begin with a branch of a tree and using a variety of saws and rasps turn it into a hand carver’s Mallet. They then further their skills in the production of a self-designed project.

In Class 6 the students begin to carve into the wood. This hollowing out of an ‘inner space’ is reflective of the early adolescent as they begin to develop their own unique individuality. The concave/convex form incorporates both inner and the outer qualities, in the production of a personally designed hand crafted wooden spoon. They then work with a slab of wood from the tree’s sturdy trunk, from which they make either a small table or stool. The limbs are used for the legs. This challenges the students to work with nature’s subtle curves, paying careful attention to which direction the branches will grow, in order to create a functional piece of furniture.

In Class 7, the student’s grace of movement is noticeably waning because of the muscles growing dependence on the skeleton, our strong silent supporter. Rudolf Steiner emphasized the ‘inner mobility’ at this age. These developmental stages are of the greatest significance; Rudolf Steiner repeatedly stressed the importance of hand work in the middle years for the healthy unfolding of a living imaginative thinking in the human being. Here lie the seeds for thinking in terms of cause and effect.

The students now work with the mechanics of a moving toy; this project mirrors the students growing individuality, each piece as different from the other as they are themselves.

Working within a group awakens many faculties. It is a complement to other subjects and it is also a help for life itself. Learning to persevere through different stages of a task increases tolerance and stamina which helps in our learning to understand and thrive in the wide world.

We are collecting clothing donations. Donations can be left at the Carriage.

We are looking for pre-loved clothing, bags, shoes and jewelry. So clear out your wardrobes, embrace minimalist cupboards, ask friends and families for donations.

We hope to see everyone there!

MAINTENANCE & GARDENING

We are a waste wise school!

Our Earth is special, there is just one.

It gives us water, soil, and sun.

People and animals share the land,

Let’s all lend a helping hand!

You can save water, and plant a tree,

Make a better home for you and me.

Recycle things, don’t throw away,

Make every day an Earth Day!

Littering is not acceptable at our school. Rubbish is to be placed in the correct bins provided. Please see Waste Minimisation below for more details on the different bins at PWS and how you can help make our school a Waste Wise School.

Waste Minimisation at Perth Waldorf School - Waste reduction in 2018 will continue to be focused in two aspects of reducing waste to landfill. One aspect is the gradual replacement of some green lid (landfill bins) with yellow lid (recycling bins) and the second aspect is to continue to build Biodynamic compost heaps. Our compost uses onsite waste products including food scraps from Kindy and Primary, wood shavings from PWS Woodwork, and weeds from the grounds. Our vision is to have multiple “same look” recycling stations placed throughout the school. Each station will have a large Recycling bin (yellow lid) a medium size Landfill Bin (green lid) and a 20 litre compost Bucket. Please identify the stations and use them to help reduce our landfill.

BUSY BEE

You are invited to join our gardening Busy Bee each Wednesday morning from 9:00am till 10:00am. This will count towards your family participation hours. Let’s make our gardens and grounds all the more beautiful for our children. We will meet in the Rainbow/Rose Room kindy garden after morning drop off at 9:00am. No gardening experience necessary, just bring your enthusiasm. Please contact Heidi on 0427 445 754 for more information.
COMMUNITY CLASSES

Groups/Classes

Participating in any of these activities goes towards Family Participation Hours.

These groups for parents are run or led by teachers or parents. Members of the school community are encouraged to join any of the groups and enjoy the experience of personal growth and learning in this beautiful environment - a great inspiration for our children!

BIODYNAMICS - with Heidi Halter.

Next week - Monday, 21st May, 10:30am-12:00pm in the Playgroup garden.

Thanks to Veronica and her Class 9 Ecology group our horns have been buried and the school gardens have had a wonderful covering of the soil preparation 500.

You (parents) are now invited to come along on Monday, 21st May at 10:30am to the Playgroup gardens where we will be stirring and spraying out our special preparation to help with the fruiting, flowering and healthy plant growth around the school. Bring a small jar to take some home for your garden. Children are welcome and a gold coin donation is appreciated.

Please contact Heidi on 0427 445 754 if you have any questions.

**Sew the Soul**
*Explore elements of the soul life with needle and thread*

*Sew the Soul*

*Sew the Soul* Explore elements of the soul life with needle and thread

*Saturday, 20th May, 10:00am*

In this workshop we will be investigating some qualities of the soul using needle and thread. Explore with small samples and then create a 'badge' with your own personal symbols.

Anne Williams uses simple materials and her hands to create new forms. She has a life-long love of making, using basic ‘domestic’ skills of sewing for her family, knitting, crocheting, weaving, spinning, plant dyeing, felting, simple book making, stitching, drawing with natural pigments and free form basketry. As one of the initial group that started the first Waldorf/Rudolf Steiner school in WA, she developed the craft curriculum and taught at the Perth Waldorf School for many years. Since then she has taught children, adults and community workshops. Recent focus has turned to exhibiting, facilitating workshops and she has joined the facilitator team at The Sound Temple for their latest exhibition, Common Threads - Woven Through Community.

Common Threads - Woven through Community is a month long community engagement project proudly brought to the Perth Hills following on from the world Fashion Revolution week in late April.

This exhibition includes topics of integrating sustainability, creativity, and traditional hand-crafted wisdom of the ages. These events are designed for you to leave feeling deeply inspired to become part of a brand new impulse of considerable change.

**Constanza Kaliks**

Constanza completed her studies of Mathematics in São Paulo, and went on to be mathematics teacher at the Escola Rudolf Steiner in São Paulo for 19 years. There she was also a teacher in the Waldorf Teacher training. She received a Ph.D. degree in Educational Studies with a dissertation on Nicolaus of Cuse. She is married with two children. Since January 2012, Constanza Kaliks has been the Leader of the Youth Section and member of the Leadership of the School of Spiritual Science at the Goetheanum and since end of March 2015 member of the Executive Council of the General Anthroposophical Society.

**Bodo von Plato**

Bodo studied history, philosophy and Waldorf education in Germany, Austria and France. He was upper school teacher at the Libre École Rudolf Steiner and in Angers, West of France, co-initiator of a socio-cultural project. In 1989 he developed and directed the Forschungsstelle Kulturimpuls (cultural impulse research centre) at the Friedrich von Hardenberg Institute for Cultural Studies in Heidelberg. Since 2001 he has been a Member, Council of the General Anthroposophical Society at the Goetheanum. Bodo has worked with severely disabled adults and is married with three children.

Dear Parents,

The Canteen has a new computer system (YAY), which means that students and parents will be able to set up an electronic account. This allows the students to order from canteen, without having to carry cash or cards, which can (easily) be lost.

If you would like to do this please complete the form below and return it to the Canteen. Once your account has been established, cash or card can be used to add value during canteen hours by parents or students, or parents can phone 9417 3638 to put extra money on the account by credit card.

Please note that the account must be in credit to be able to purchase food from the canteen.

Any questions please contact Megan in the canteen, (9417 3638) during canteen hours.

Warm regards,
Megan Harry - Canteen
