**Term 2, Week 4**

**Tuesday, 22nd May, 2018**

The weather is beautiful but where’s the rain? My life is good but I want more Love? I have a nice house but the location could be better. The endless lament of feeling dis-satisfied. It infects us all and becomes a habit. A way of being. Yesterday, 12 Principals and officials from the Association of Independent Schools visited our school for a cross sector meeting and were full of positive and kind words of praise for the nature of our school. They remarked on the bushland, the buildings and the apparent softness of our students. One remarked that the children didn’t seem oppositional to the teachers or to being at school. How easy it remains to look for fault but they reminded me how much more uplifting it is to express appreciation and gratitude. Thank you to all that make our school a treasure.

This week’s Pabulum is a delight. Class 12 student Rick Radalj’s article about his Project Practical is a highlight. Congratulations to him and to all the Class 12 students who are well on their way to completing the four components of the Class 12 Projects in which they explore a question and present a response through an Essay, Journaling, Public Presentation and Practical activity. Especially thank you to all the people who work alongside them as a community must and Penny Champ for her Coordination work par excellence.

The High School Journey and Beyond evening is on June 7th. It is a gateway into the world of the High School with presentations from the coordinator, teachers and past students. It is also the chance to ask questions and clarify if the High School Journey is right for your child. Information about pathways after students graduate is also presented. A majority of our former students gain access to tertiary education. This leaves them with one fundamental question - to gap or not to gap - a first world problem if there ever were one!

The Winter Festival requires support. Please give where you can. Please volunteer when you have time. It is a way to make new friends and contribute in a meaningful and practical way. Our children all benefit and the community is strengthened.

Tonight is the first meeting of the School’s Governing Council. Thank you to the fifteen parent volunteers who will sit for the first time as a group. May we pass through the five stages of group work (Forming, Storming, Norming, Performing and Adjourning) with aplomb.

Blessings on our school.

Bruce Lee
School Administrator

**IN THE LIGHT OF A CHILD**

Rich treasures planted long ago
Within my soul, so dark and deep,
Are wakened by my will from sleep.

They stream into the world; they grow.
They bear star-substances of greatest worth.
Through loving deeds of mine, uniting heaven and earth.

GENERAL NEWS

ATTENTION ROAD USERS - CO-EXISTENCE IS ACHIEVABLE!!
The school sometimes receives complaints regarding cyclists, skateboarders and even pedestrians. These complaints appear to focus on a misunderstanding that cars have some sort of precedence on the roads in our school. This is not correct.

The school wishes to re-emphasise that in all instances cyclists, skateboarders and pedestrians have a priority and cars need to be vigilant and slow down to allow people to traverse the ground in peace. Drivers are also asked to abide by parking place rules.

It is odd that we have cars travelling through our school. It would be ideal if we didn’t. However, alternative suggestions other than banning them don’t seem to pass muster in the many conversations on this topic.

Please drive with respect and care for people and to support the peaceful atmosphere of the school.

It is recommended that for their own safety and the safety of young children that cyclists walk their bikes on roadways or use pathways. Skateboards are a delight and are welcome but not on walkways inside the school.

HEAD LICE NOTICE
Dear PWS parents, there has been a case of Head Lice in our school.

Please check your child’s hair frequently and keep long hair tied back.

Symptoms include, excessive itching and tiny insects (resembling sesame seeds) and eggs (resembling grains of sand) throughout the head/hair.

Head Lice can be treated with shampooping with a head lice shampoo and combing with a special nit comb that will remove lice and eggs from the hair (see your local pharmacy for these products). Be sure to follow the instructions on the treatment that you use and repeat the treatment after 7-10 days.

For more information please go to http://www.healthywa.wa.gov.au/Articles/F_I/Head-lice
**School Tour**

Our School Tour will be on **Tuesday, 12th June, 9:00am-10:00am.**

Come along to view our Classrooms and explore our school’s grounds. This is a wonderful opportunity to get to better understand our school’s ethos and meet some of our wonderful families and staff. A light morning tea will be provided with discussions after the tour.

If you are wanting to attend please contact reception (9417 3638) to book a place.

We hope to see you there!

**A Winter Festival Request**

A big part of the Festival is the Winter spiral, created each year with earth, flowers, candles and glass jars. This year we are building **two** Spirals for the festival. One will be built for the Primary School and one will be built for the High School. It takes many glass jars to create the Spiral, therefore; at least 100-150 jars are needed for each spiral to bring it to life.

I am sending out a request for any Mexican salsa jars you may have in your clean jar collection that you could donate to a good cause. If you could remove the labels before bringing it in to me I would be truly grateful. The jars can be dropped off to the drama office (the old music room at the side of the hall), onto my desk which is straight inside the door to your left.

With thanks,

**Sarah Boyle - Festival Co-ordinator**

**Lost Property Has Moved**

Due to the Cedar House renovation, the lost property chest has been relocated to the right of the Williams Hall entrance. There are many water bottles (mostly purple), school notebooks, umbrellas, hats and lots of jackets currently in lost property. If you have lost any of the above items, please take some time to search through lost property and collect them if found. Thank you.

**Celebrating 30 Years**

Patricia Crook arrived here at PWS in November, 1989. To the right is a photo taken at her first spring festival in 1990. Trish currently teaches the Class Seven (Wardong) student’s.

The Wardong clan comprises a new intake of students to PWS moved from Silver Tree Steiner School in the Perth Hills and north of the river at West Coast Steiner School.

Trish does such a wonderful job of welcoming these lovely new faces to our school. Thank you for all your work and love.
EARLY CHILDHOOD

REMINDERS FOR THIS WEEK
Wednesday, 23rd May - Rainbow Room will be having a Parent Teacher Meeting at 7:00pm. Parent Teacher Meetings are wonderful opportunities to discuss with your child’s teacher about how your child is progressing and behaving at School, as well as to better understand what they are currently learning in the classroom.

FROM THE CO-ORDINATOR
Parent participation in the Kindergarten comes in many shapes and sizes. This week, we have had a parent morning for Cedar House. It’s great for parents to meet each other in a setting where their thoughts and questions can be shared, and they have a chance to deepen their connection with their child’s school life. We teachers all appreciate what each parent brings to the life of the class, and these relationships are an integral part of Steiner education. We had close to full attendance, so thanks to all Cedar House parents. Last week, we had a Mother’s Day morning tea up at the tent for Bush Kindy. Campfire and fresh air are just as beneficial for mothers as for children! Outdoor time as a group of child-raising adults gives us all space to breathe. Thanks especially to those responsible for camp cooking and provisions.

As the building work is in process at Cedar House, we want you to be alert to the changed terrain between Kindy and the canteen. This is an area where small children need extra supervision at the moment. The building site is well fenced. However, there will be truck and equipment movements around the site at different times. All care is being taken to minimise disruption, but as with any home renovation, there will be inconvenience, and it will be worth it in the long run. Thanks to all involved with the project. We’re excited.

Jennifer Byrne - Early Childhood Co-ordinator

PRIMARY SCHOOL

REMINDERS FOR THIS WEEK
Tuesday, 22nd - Friday, 25th May - Class Five will be going on their four day camp to Rottnest. The Class Five’s will get the opportunity to participate in various team building activities such as cycling, walking/beach combing, exploring the geography and gaining a feel for ‘island life’, swimming and various games. The students will return to Fremantle at approx. 12:15pm on Friday, 25th May.

Thursday, 24th May - Class Two will be having a Parent Teacher Meeting at 6:30pm. Parent Teacher Meetings are wonderful opportunities to discuss with your child’s teacher about how your child is progressing and behaving at School, as well as to better understand what they are currently learning in the classroom.

FROM THE CO-ORDINATOR
During cultural studies this week a few of the classes went down to the lake for a blessing with Aunty Chelsey. As they approached the water they all rubbed their hand under their armpit, ‘to get your smell’ and then they rubbed their hand onto the sand before throwing a handful into the water. This was to let the Waagal know that they were all there.

They learnt about what precious plants were in the immediate vicinity. Yams from the bulrushes (bush potatoes), paper bark is used to relieve itchy skin and repel mosquitoes. Peppermint leaves to brew into tea and the Banksia flower to make sweet water. The green seeds from the acacia can be eaten and are flavoursome and the pods are used in making soap.

The children were told to be mindful when using bush medicine as the various trees could look alike and yet the properties of the leaves and seeds diluted in water are used for many different things and you need to know which ones soothe the tummy and which ones helps with coughs and which ones shouldn’t be used in a tea at all.
Music practice lessons were done outside for a few classes this week.

Students learning about some of the trees around the classrooms.

Busy work building cubbies and cities. Always working and playing together.

An important message from some passionate students.

Lisa Payne - Primary Co-ordinator
Last term the Class Seven Kulbardi’s started a very supportive Reading Buddy relationship with the Class One’s every Monday. The Class One’s eagerly anticipate this Monday highlight which will continue throughout 2018. I have been so impressed by the way in which the Kulbardi’s really engage their buddies in the books that they share. There are lots of interesting questions and conversations taking place that will help our Class One’s to deepen their love of books and reading.
CLASS 5 EURYTHMY PERFORMANCE

In Week Two of Term Two Class Five put on the wonderful Eurythmy performance “Jester Dance” for the Class Four student’s. Dressed in silks of red, green and blue the students gracefully danced and moved around the playful Jester dressed in yellow. It was a pleasure to watch the students work together to help count the steps and flow with ease.

Thank you to Kristina Hamilton for all your work with the Class Five’s and for all the Eurythmy teachings you bring to the School, and thank you to Margaret Reale for accompanying the performance with wonderful piano music.

HIGH SCHOOL NEWS
A major landscaping programme is underway up at the High School. There is still much work to do but as you can see from these before and after photos the changes are already being appreciated.

UN YOUTH LISTENING TOUR - CLASS 12 VISIT
As part of his Australian wide listening tour the Australian Youth Representative to the UN, Amos Washington recently visited our school to consult the Class 12’s on “What would Australia look like if young people had a greater say?”

To his surprise the class believed that they are being represented well enough in government, that they know how to make their voices heard as youth and that they felt empowered to make a difference. In nearly 50 consultations around Australia so far, our group was the only one to say this. It made a strong impression on him.

As a former Waldorf student himself and a highly skilled facilitator, he attributed the Class 12’s willingness to engage in philosophical discussions to what we do at our school. He was able to dig deeply into their statements, to test their thinking and see their confidence and integrity as young citizens. I was reminded of sitting in the recent Historical Perspectives Main Lesson run by Jennifer Turpin who challenged these students with respect, interest and thoughtful questions to articulate their own perspectives of what really matters in the world.

It is something to behold; young adults speaking from their heart with warmth and clarity. Often it is seen in the Class 12 Project Presentations year after year. It is something that is not an isolated event but happens year after year, the result of an integrated development throughout their journey from kindergarten, through to primary and high school to when they leave.

What a privilege it is to be part of this.

John Bluntschli - Class 12 Guardian
Hello, my name is Rick, and I completed a solo hike of the Cape to Cape for my Class 12 Project practical.

I went on a seven day hike along the diverse beach-side landscape of the south coast, walking a total distance of 135km, starting at Cape Leeuwin in Augusta and finishing at Cape Naturalise in Yallingup. It was one hell of a journey that totally took me by surprise as it was nothing that I was expecting it to be. I thought that I would walk for a couple of hours and then camp for the rest of the day, but it was the total opposite of that. I walked around 5-8 hours a day, then set up camp for the night, then in the morning wake up early to pack up and head straight back onto the track. When walking I would sometimes get lost (resulting in me needing to use my phone for GPS), be in pain mentally and physically (blisters, back pain, things not going to plan), walking along tough terrain (beach walks, steep up hill and downhill sand tracks), and having some random encounters with some native creatures - it was hard. But saying this though, the positive experiences totally outweighed the negative.

I encountered a handful of awesome people, have experiences that have change my own perspective of life and has force me into becoming more mature within myself (essentially to grow up). Being surrounded by the peaceful, powerful beauty of the untouched, vibrant landscape has made me more aware of my own freedom and what makes me free. It was life changing.

Enjoy the pictures below. Thank you!

Rick Radalj - Class 12

**Journey and Beyond**

6:30pm-8:30pm
Thursday, 7th June, 2018
Williams Hall
Perth Waldorf School
14 Gwilliam Drive, Bibra Lake

An evening of information and inspiration about the PWS High School curriculum journey, tertiary entrance details and reflections, presented by our High School Co-ordinator - Mark Phillips, High School teaching staff and past students.

Tea, coffee and refreshments will be served after the presentation.

**LIBRARY NEWS**

All is well for Term Two in the library with classes for the children being enjoyed by all.

Kindy Six and Class One are read beautiful stories from the picture book collection, Class Two sit captivated by the Adventures of the Wishing Chair by Enid Blyton, Class Three loves to hear of Pippi Longstocking’s wild adventures and Class Four are enjoying Wombat in the Wild an Animal Ark book by Lucy Daniels.

Other classes also have access to the library to read quietly, borrow books or even do some work in their main lesson books.

The Kindy Six children are learning a new Library Verse which is sung at the completion of their Friday morning library session:

**Library Kindy Verse**

We say goodbye to this peaceful place
Where the wonder of story
Is brought with grace

Coming together we enjoy to share
The beautiful books
With joy and care

We say goodbye to this peaceful place.

(Continued over the next page...)
Parents are welcome to come and browse and become members of the library. We look forward to seeing you.

Donna Canci is our valued library volunteer and we thank her so much for her generous help. Each week Donna spends a few hours contributing to the work in the library. Thank you!

Books of the week

_The Seven-Year-Old Wonder Book_ by Isabel Wyatt is a great read for parents with their Class One and Two children.

_Three Pickled Herrings_ by Sally Gardener is a new book on the shelf. Emily Vole is raring to solve mysteries. She has a detective book, a talking cat and magical bunch of keys. The only part missing is a proper case. A wonderful chapter book for Lower Primary students.

_What’s happening to our boys?_ by Maggie Hamilton. This is an informative and readable books for parents. The book takes a positive view of boys and looks at the pitfalls facing our boys in today’s world. It gives insight to parents and concerned adults about how they can walk alongside boys on their journeys.

Autumn blessings,

**Coles Sports for Schools Program**

This year Perth Waldorf School will be participating in Coles Sports for Schools program that is currently running. Tickets can be dropped at The Carriage.
**MAINTENANCE & GARDENING**

We are a waste wise school!

We recycle what we use, separate things and you should too!
Glass, paper, plastic and tin, go in your RECYCLING BIN!
We must start now, we can’t wait, quick or it will be too late!

If you are riding your bike to school, please remember to ring your bell or shout out to warn that you are cycling towards other people as to avoid any accidents. Also please be sure to STOP riding and walk your bike when on school grounds, as it is dangerous to parents and young Kindy children as well as cars that may be reversing out. Remember to always wear a helmet when riding a bike!

**BUSY BEE**

You are invited to join our gardening Busy Bee each Wednesday morning from 9:00am till 10:00am. This will count towards your family participation hours. Let’s make our gardens and grounds all the more beautiful for our children. We will meet in the Rainbow/Rose Room kindy garden after morning drop off at 9:00am. No gardening experience necessary, just bring your enthusiasm. Please contact Heidi on 0427 445 754 for more information.

**COMMUNITY CLASSES**

Groups/Classes
Participating in any of these activities goes towards Family Participation Hours.

These groups for parents are run or led by teachers or parents. Members of the school community are encouraged to join any of the groups and enjoy the experience of personal growth and learning in this beautiful environment - a great inspiration for our children!

**Eurythmy** - Free classes with Kristina Hamilton.
**Tuesdays, 2:15pm-3:00pm in Williams Hall.**

Eurythmy is great to do at any time of year, but it especially becomes a healing balm when winter approaches. As the outer cold increases, the inner life awakens, allowing a warm space for artistic impulses to be nurtured. The arts flourish in wintertime. Do come and join with others in this opportunity to feel whole and well. All are welcome!

Dear Parents,

The Canteen has a new computer system (YAY), which means that students and parents will be able to set up an electronic account. This allows the students to order from canteen, without having to carry cash or cards, which can (easily) be lost.

If you would like to do this please complete the form below and return it to the Canteen. Once your account has been established, cash or card can be used to add value during canteen hours by parents or students, or parents can phone 9417 3638 to put extra money on the account by credit card.

Please note that the account must be in credit to be able to purchase food from the canteen.

Any questions please contact Megan in the canteen, (9417 3638) during canteen hours.

Warm regards,
Megan Harry - Canteen
