Term 2, Week 9

This week we are all treated to a Primary School main lesson play AND the Class 11&12 Drama elective. These plays are the result of a creative inspiration that with will, imagination and thought are made manifest in the form of dramatic performances. Your support and wonder at the strength of the students’ work is appreciated. If you can attend you will be the biggest beneficiary as you are nourished by two very, very different plays.

The Class 7 (Wardong) play was performed for the first time this morning and it is an extremely moving tribute to the struggle of the Aboriginal people to gain recognition and respect for their land. The Wardong class are comprised of children joining our school from West Coast and Silver Tree Steiner schools plus other returnees and beautiful souls from elsewhere. They have combined into a class that works beautifully on stage together. Our school is made so much richer for their presence and the play is a marvel which will enlighten everyone on the struggle for land rights and recognition. Thank you to class teacher, Miss Trish and Sarah Boyle for their leadership and passion.

The Class 11&12 Drama Elective will be performed on Thursday (6.30pm) and Friday (7pm). The performers are students who have elected to take drama after years and years of “compulsory” class plays. (So they must like drama a whole heap!) They have given a huge amount of after-hours time to follow their passion and we can be assured of an ending to the term at the theatre that will be delightful. Sit back and be enlivened by a “charade about suburbia set in 1962” as performed in The Season at Sarsaparilla by Patrick White. (Wonder if any grandparents were cajoled into sharing their 60’s finest for this play.)

Thank you for marking the Winter Solstice at Perth Waldorf School last week and thank you to all the staff and parent volunteers for making it a very special communal activity.

This term we farewelled Joy Ray from the admin team. Joy has been a loyal, friendly and hard working member of the admin team for more than six years. She was especially supportive of the School Administrator and her loss is keenly felt by me and the Administration team.. As a school, we wish her and her family well. More information about changes in the Admin team will be provided next term.

Sven Borg (Camp Leader) and Jodie Collins (High School English) have also left the school this term. Both joined at the beginning of the year. Both had an impact on members of our school community and their loss will be felt. We wish them well.

This term the Primary School has run a programme to support a better understanding of Aboriginal people, culture and beliefs. As a school, in our thirtieth year on this land near Bibra Lake (Walliabup), it has been a turning point to work so closely with elders and local Aboriginal people to learn and grow. Much thanks must be extended to Lisa Payne and the Primary faculty for championing this initiative and being open to whatever came. We are so blessed and the children will never forget the experience.

Likewise thank you to everyone who has worked so hard to bring about the Bush Kindy experience. Out of necessity a way was found and everyone, children, parents and staff are richer for the time in the elements, beside the fire, forging a new way. We are so blessed that the children’s souls will be enriched by the experience.

(continued on next pg...)

IN THE LIGHT OF A CHILD

I listen to all that the Angels are saying.
They give me their light, spun on threads of pure gold.
They grant me new power in living, in praying.
They bring me rich gifts which I carefully hold.
The Child at his mother’s breast stirs and wakes slowly.
This gold makes a mantle to clothe him most holy.

**TERM 3 FEES**

As you may be aware, in previous years fees were billed during the school holidays. From 2018 fees will be billed in the latter half of each term for the upcoming term. The reason for this change is to provide additional time for families to pay their school fee account. Please note the due date remains the same.

Term 3 fees have been emailed. The due date is **Friday, 3\textsuperscript{rd} August**.

If you have not received your Term 3 fees by the end of this term, please contact Tracey O’Neil on account@pws.wa.edu.au or phone 9417 3638. Thank you.

**GENERAL NEWS**

**SEMESTER ONE REPORTS**

Early Childhood and Primary School Reports will be available this week for pick up from outside the School’s Reception on Wednesday 27\textsuperscript{th}, Thursday, 28\textsuperscript{th} and Friday, 29\textsuperscript{th} June from 8:00am-9:00am and 2:15pm-3:15pm only. Reports which have not been picked up will be posted. We encourage you to come and collect your child’s report as this will save the school on postage and handling.

High School reports will follow in the holidays by post. Please ensure your contact details are up to date with the front office to ensure safe arrival of these reports. Thank you.

**FAMILY PARTICIPATION SCHEME DUE NOW!**

Parents, please be aware that all Family Participation Scheme forms for Semester One are due back this week (**Friday, 29\textsuperscript{th} June**). Once you have completed your form, please return it to reception or email it to adminpws@pws.wa.edu.au.

If you do not have a Family Participation Scheme form, there is one attached to this *Pabulum* or you can find one online or collect from the Front Office. Thank you.

**30 YEARS CELEBRATION REQUEST**

We invite you to contribute to the celebration of 30 years on PWS land. Please contribute a donated copy of a photo memory of any new stage of development or building that you might have in your collection. Please address to the Archives team, and if you have any enquiries please ring Judy Gray on 0418 833 448 or Sarah Boyle on 0414 827 787.

Sarah Boyle, Judy Gray and Jenny Hill - Archives Team
**The Need**
The College of Teachers has given wholehearted support for a PWS community initiative to collect useful items for homeless and at risk people in Fremantle region. To that end, we have obtained a list of essential items from the Fremantle Street Doctor, who would be very appreciative for any generosity on our part.

Please hand any gifts to Community Support Staff or outside the school Library and they will arrange for pickup and delivery.

A handmade good wishes card could also be made to go with the gifts. Small chocolate/sweet treats could also be good.

**The List**
Cotton or wool blankets - clean/washed
Single donnaes with covers - clean/washed
Handbags with toiletries - for men and women. Including any of the following:
Shaving equipment, Soap, Toothbrushes and toothpaste, Sanitary products, Face wash cloths, Shampoo, Hair conditioner, Deodorant, Moisturiser, Shower Gel, Mini Sewing kit.

### WINTER FESTIVAL PHOTOS

FROM COMMUNITY SUPPORT

WINTER FESTIVAL GRATITUDE

Thank you to the whole community for creating such a wonderful and soulful Winter Festival. Many hands and hearts worked together to ensure this event ran smoothly. Firstly, we would like to thank Sarah Boyle from the bottom of our hearts for coordinating the whole festival for both Primary and High School. Sarah has the incredible ability to weave together the many threads to create our Winter Festival as a magical and meaningful experience. We are blessed to have her as our Festival Coordinator. We would also like to thank Lisa Payne for bringing an Indigenous Study programme to our Primary School this year and that because of this initiative we were able to have the spectacular Noongar Dancers around our fire. It is good that our school has good connections with our Indigenous community and this is largely due to Lisa’s good work.

More thank yous from Community Support...

Thank you to all involved in organising the Winter Festival in Primary and High School and Early Childhood. Many thanks to Patricia Crooke our Class Seven Teacher and Val Ashman Class Five Teacher for creating festival theme and turning it into reality under the coordination and tireless work of Sarah Boyle. We would also like to acknowledge the beautiful work of all teachers in preparing for and executing the night’s programme, which filled the hearts of all participants with joy and gratitude.

Thank you to our Primary School story tellers, past students, Ben Cooke, Tashi Halbert and Anneka De Souza. Many thanks also to all Class Carers for their invaluable communication and support in logistics. Thank you to all soup chefs and bakers for a delicious and nourishing festive dinner!

Thank you to Claire Williamson and Paul Lawrence, our Music Teachers, for leading the Parent Choir. Thank you to Ashja Perroni, Nicole Settan, Donna Canci, Michiko Lee, Jane Crothers, Sonya Crowther, Louisa Barnache, Chieko Shogaki, Kelly Heffron, Sue Simmons and Tracey O’Neil. Thank you also to Antoinette, Sophia, Monika and Jana and others from the Wednesday night Adult Choir who joined in and performed Nyoongar Lord’s Prayer Ngaala Maaman Waang – beautiful.

Thank you to Class representatives turned artists as dedicated bird models makers in the creating of a magical surprise for the children. Many hours were spent both day and night drawing, cutting, papier mache, felting and sewing.....Well done! We express gratitude to our lovely Administration Team and to Bruce Lee for preparations and also for their work on the grounds last Thursday.

Thank you to our strong and handy Maintenance team for the hard work to ensure our safety and wonderful bonfire! Thank you to everyone who helped in the collecting and preparation of the many salsa jars! Special thanks to Steve Grant for helping with heavy loads and to the team of lovely women who set the candles up on the day. Thank you to Jane, Claire, Sally, Jade, Fiona and Corine. Thank you to Sonia McGillvray for her generous help!

Thank you to Anita Staude, who year after year provides an abundance of flowers and greenery for the spirals – much appreciated!

Well done to our Class 10s who with the help of Brett Kranz-Little and John Blunchli did great work producing the beautiful and fragrant spiral in the Williams Hall!

There will be more reflections and acknowledgements on the Winter Festival in the next issue of the Pabulum early next term. Please accept our apologies for any omissions.

Blessings on your Winter Holidays!

EARLY CHILDHOOD

FROM THE CO-ORDINATOR

We have the pleasure of a visit from Lakshmi Prasanna on the very first day of next term! Lakshmi is an Anthroposophical doctor and lecturer, skilled in family health and childhood development. She will be working at school with the teachers, and will give a parent talk on Monday night. This talk will be pertinent to the issues, concerns and joys of parenting in modern life. It is free, and open to all people connected to our school. All Early Childhood parents are encouraged to come along to hear Lakshmi speak.

Monday, 23rd July at 6:30pm in Seekers Place.

There may be opportunities for private consultations with Lakshmi during her time in Perth, most likely over the weekend 21st and 22nd July. These consultations have been most helpful to a number of our parents in the past, and you may wish to call Jennifer to discuss. If you want to put your name on the list for an appointment, cost $100, please phone Reception.

Jennifer Byrne - Early Childhood Co-ordinator
PRIMARY SCHOOL

FROM THE CO-ORDINATOR
I know that there will be many thank yous said and written for all the valuable contributions that made the Winter Festival so profoundly beautiful in so many ways. I would like to thank the faculty of teachers who worked together to create a theme honouring our 30 year connection to this place and its birds together with our indigenous community.

I would also like to make special mention of the amazing Didgeridoo players, Sanshi, Elliot and Fiorino who bathed us in sound as we walked the spiral. The toning and harmony that was produced by the C# and F# created light and shade, depths and highs and soared our imaginations and we are very grateful for your masterful playing.

Thank you too, to the two groups of “boys” who met and agreed on dances and didge and clapping stick playing at the last minute - literally! Four of the boys came from Wesley College with Michael and Auntie Marie had brought her nephews. Aunty Chelsea’s young son was with us when we all met at the fire and when he said that he wouldn’t dance as he hadn’t done a performance “YET”, the boys embraced him and Caleb took his hand and said, “tonight is the night that you do your first dance! You follow me brother, you’ll know what to do.” I’m sure we all agree that they all did a fabulous job and gifted something very special with their kangaroo, emu and celebration of land dances.

Our Noongar Language and cultural studies programme comes to an end at the end of the term. It has been well received by the children and has certainly created strong connections with our local indigenous Elders and their community. They have done a tremendous job of working with us to create the programme and are as grateful as we are with the successful collaboration. We will end the lessons this week with a celebration of stories from Elders, dance, singing, face painting and a bush tucker BBQ.

Thank you to our amazing teachers who agreed with timetable changes and loss of DOTT time to support these lessons twice a week.

Lisa Payne - Primary Co-ordinator

CLASS 3 PLAY
Class Three performed their play last week and transported the audience back in time to the mighty Persian Empire when it was ruled by King Ahasuerus and his beautiful Queen Esther. See photos of the play below.
This month is the 40th anniversary of Noonkanbah, a land title issue that was at the centre of public attention in Australia for almost two years, 1979-1980.

Wardong, Class Seven have created a play, dramatizing these events. In an effort to gain an understanding of the Aboriginal connection to land, part one of the play deals with their Indigenous Law through three Dreamtime Stories - Uluru, Witchetty Grub Man and Seven Sisters.

The conflict between the Gadiya’s (white man) attitude to land and the Aboriginal is very different. Class Seven have been learning West Australian history from the Indigenous point of view to grasp a deeper insight.

(continued over the next page...)
Areas studied included life before settlers and the strict acknowledgement of land boundaries amongst various mobs without having to use fences or walls. Loss of land and culture through the insistence of Terra Nullius, by Gadiya, through the use of violence, disease and death. The first Indigenous strike in the Pilbara, led by Dooley Bin Bin, Clancy and Don McLeod was a tremendous piece of history to unearth!

We looked at factors that encouraged the Noonkanbah people to make a stand and not allow their land to be stolen again: The story of the Bunuba warrior, Jandamarra, the Walk Off at Wave Hill and the efforts of Vincent Lingiari, the writing of the Bark Petitions and apology by Gough Whitlam, and the heroic strivings of Eddie Mabo.

With this new knowledge of West Australian history Class Seven embarked on the events at Noonkanbah. No longer is Aboriginal history a mystery!!

Play Performances:
Tuesday, 26th June at 1:00pm.
Wednesday, 27th June at 9:30am and 6:00pm.

THE CHANGING FACES OF CLASS NINE

Class Nine started the year making functional ceramics, anything from mugs to sushi servers to salt and pepper shakers. They then worked with three-dimensional form making these characterful faces using white raku clay and finishing simply with a clear glaze.

For my Class 12 Project this year, I have chosen to investigate the very current topic of Islam and the women within the religion. I was inspired by the constant debates that surround Islam within our community, society and in our media. I chose to focus on women within Islam as they are a greatly diverse, misunderstood and under-represented minority within Australia and I wanted to learn the facts and the people behind the headlines we read and are told about. My question is “What is the experience of being a Muslim woman in 21st century Australia?”.

For my practical I have interviewed four incredible Muslim women, from different backgrounds who are doing very inspiring work with our society. From the interview’s I am creating a video which will demonstrate the diversity and complexity of the Muslim communities. As well I am making my own burqa, I have been wearing a hijab out in public as to gain just a little understanding into what it feels like to be perceived as Muslim in Australia. And finally, I am creating artworks that are representing the struggle of immigration and importance of acceptance and kindness towards our Multicultural communities that make up Australia.

I am very passionate about my topic and multi-culturalism, I think it is so important to learn about the women behind the stereotypes we hear, as it is extremely important to value every Australian woman’s story and experiences.

If you have any questions or are interested in a conversation please feel free to do so when you see me around.

SOPHIA BARTLETT
For my Class 12 Project I am asking the question “How does social media affect our mental health through sleep deprivation, cyber-bullying and depression?” I have found this topic to be quite confronting and disturbing because as a teenager social media and technology is a huge part of my life and those around me. My research has led me to make some changes in my own life - but it is not easy.

For my Project Practical I have created a blog and a Facebook page for parents to engage and as a useful resource hoping to raise awareness of these issues. Please go to: https://rosalielane0.wixsite.com/mediaandmentalhealth
https://www.facebook.com/Social-media-and-mental-health1600037403394792/

I am also planning to hold a showing of the documentary called ‘Screenagers’, an American film about a parent’s investigation into the use of smartphones, in Williams Hall on Friday, 3rd August. It will be $10 per presale ticket and $15 to purchase a ticket at the door.

Tickets are being sold online via: https://www.trybooking.com/WMLY
To see the trailer for this film please go to: https://www.youtube.com/watch?v=LQx2X0BXgZg

These issues are really impacting all our lives. Please visit these links for more information and to help me with my Project Practical!

Thank you,
ROSALIE LANE.
Interested in making a lot of money? That's what I was interested in when I first looked into Bitcoin late last year. With all the news and interviews of people who had become instant millionaires, I couldn't help myself from looking into it. It took me a while to wrap my head around the technology that underlies Bitcoin, but once I did I was blown away. My new-found passion soon lead to a change in my project topic, and has brought me to the question: "What is Bitcoin, and how can its technology be applied outside of finance?"

Put simply, Bitcoin is a digital currency. It can be used to pay for things like the Australian dollar. The difference with Bitcoin is that people can send money to each other directly, without a bank or government in between, and transaction fees go to the general population. This makes it a community-based, global currency that isn't at risk of inflation. Many alternatives to Bitcoin exist, and are called 'cryptocurrencies'. The value of Bitcoin and cryptocurrencies fluctuates incredibly fast, and this is what leads many people to gain or lose large amounts of money investing in them. As of 19/6/2018, one Bitcoin is worth $9000. Throughout this year I am investigating (and taking part in) investing and trading Bitcoin and other cryptocurrencies.

The intention for my project is to educate the community about Bitcoin in an easy-to-understand manner. I'm going to do this through an animation, which is the practical aspect of my project. I hope to display this animation later in the year, at my presentation.

A Journey of Becoming
Understanding human physiology as an inner pathway to Waldorf Pedagogy

This week aims for each individual to find her/his own relationship to Rudolf Steiner’s spiritual science in relation to understanding human physiology as an inner pathway to Waldorf Pedagogy and to foster and awaken ongoing personal and professional development and growth.

The course is for current and new teachers wishing to deepen their pedagogical approach.

It offers lectures, explorations through study, conversations, and practical and artistic activities working on reflective practice as a basis for our own research.

Spiritual Science shows us that the Human Self is far wider than what is enclosed in the personality. Indeed the entire Spiritual Scientific mode of observation is based on the fact that the human being can reach beyond the self, beyond what is enclosed within the boundaries of the personality, without ever losing himself. *RS 1439/107*

Outline of the week.

Each morning we start with Eurythmy, exploring the formative forces within nature and ourselves in relation to the content of the course.

This is followed by nature observation using the method developed by Goethe. Basic to his approach is the importance of seeing the organism in its wholeness and inner coherence. This helps us that we learn to observe the phenomena of nature with care, patience and respect.

This engages us in an active interrelationship with the phenomena, discovering ourselves in the process of discovering the other.

After this dialogue with nature we turn to the lectures from the cycle “Study of Man”. We bring an involved and in depth method of study to the text at hand. Practicing our own mobility in thought and understanding.

In the afternoon we turn to Pedagogy related workshops. Artistic activities and review of the day.

At the end of the afternoon we have the main lectures. Themes will be:

- Unconditioned life before birth.
- Embryology.
- First three years of child development.
- Developmental stages of body, soul, and spirit.
- The life and development of the human organs and its relevance in the Waldorf curricula.
- The physiology of the Foundation Stone Meditation.

**Dr. Lakshmi** was trained as an anthroposophist in India, and now serves as a leader of the International Medical Anthroposophical Society. She started her career as a registered nurse and was a dedicated member of a national medical training organisation.

Dr. Lakshmi is a forensic anthropologist and has worked extensively in the field of forensic anthropology. She has worked with several governments and organisations in different parts of the world.

Picture: An advertisement for a course on understanding human physiology as an inner pathway to Waldorf Pedagogy. The course is aimed at current and new teachers wishing to deepen their pedagogical approach. The course includes lectures, nature observation, and workshops. The main themes of the course include unconditioned life before birth, embryology, development stages of body, soul, and spirit, and the life and development of human organs. The course also includes a focus on the foundation stone meditation. The course is highly recommended by the College of Teachers as an excellent foundation to understanding Anthroposophy. The course fees are $500, and it is available at Perivale Waldorf School, Gwillim Drive, Bibra Lake. The course is conducted by Jenny Hill.

ANTHROPOSOPHICAL SOCIETY AUSTRALIA
2018 ANNUAL CONFERENCE

Dear members, teachers, parents, families, and friends,

This year, our Perth branch is thrilled to be hosting the 2018 Australian Anthroposophical Society Conference in August. Our conferences are open to anyone with an interest in, or a connection to the Anthroposophical Movement, and are wonderfully nourishing opportunities to meet with like minded people and to learn a great deal.

Our conference in 2008 (the Bee Master) was an outstanding success and people around the country still talk about that one as being especially wonderful. We now have the opportunity to make the 2018 conference another legendary event!

We warmly invite you to join us.

Please see the flyer over the next page - stick them on your fridge!

This year we are delighted to welcome two speakers from Dornach, the centre of the society’s activities in the world, Bodo von Plato, and Constanza Kaliks. They have both visited Australia previously, in the last few years, and all who attended their talks and activities were very touched by their knowledge, wisdom, and warmth. This really is an opportunity not to be missed! We encourage you to look at the ‘Speakers’ and ‘Workshops’ pages on the website, there are too many to mention in this message. It is a rich and full program with something for everyone.

Bookings are now open, and you can see the full program, details of events, speakers and practical matters on our website.

www.asc-au.com

The conference will be live-in for the full experience, and we expect that most of our interstate visitors will be staying at the selected venue of Point Walter Recreation and Conference Centre. We encourage you to book early, you can elect to register for the full conference, with or without accommodation, or individual days or sessions.

Silver Tree Steiner School has 200+ students and approximately 30 enthusiastic staff from pre-Kindergarten to Class 6. The school is located on 25 acres of semi-rural land in the peaceful natural bush area of Parkerville, WA. The school first started in 1997 as a playgroup in the hills of Darlington, and has developed into the thriving school today. There is a rich and committed school community with keen involvement in developing the land and utilising the natural resources as a sustainable school. Silver Tree is an independent, co-educational and non-sectarian day school, welcoming children from all backgrounds and cultures. Children can go on to the Perth Waldorf School for their high school years.

Drink Bottle Fundraiser - Individual Order form

Are you tired of re-writing names on drink bottles, or replacing name labels?
Welcome to the Drink Bottle Fundraiser... a great way to help raise money for your organisation while buying fully personalised drink bottles.
The names and images are laser engraved so they cannot rub or scratch off and the bottles are 100% BPA-free Stainless Steel. They are available in 6 great colours and 2 sizes (500mL and 740mL).
We’ve got your organisation’s logo ready to engrave, now all you need to do is choose the size and colour of your bottle and complete the order form below.
Remember your school, club or organisation earns $5 profit per bottle so why not use this as a way to promote your organisation by buying some for friends and family.

Small (500mL) - $18  
Large (740mL) - $20  

$5 per bottle goes to your organisation
