**Term 3, Week 1**

**Tuesday, 24th July, 2018**

This term the Cedar House kindergarten room is re-opened after extensions and renovations that ensure there is more room for the children, internal toilets, extra storage space and a pantry for the kitchen. The room has been lovingly prepared by Chrissy and her team. Thank you to Matt Noakes and all the other staff who worked to get the project finished on time and on budget.

Also, Blacksmithing in Class 10 starts again today on newly built forges. The forges were moved due to the construction of the woodwork classroom and we have upgraded the facility to allow for up to 18 students to experience the physical power of transforming a once hard and rigid material into a new structure when intense heat is applied. Once again, thank you to all involved.

Over the holidays, lots of work was done around the school including urgent structural repairs in the school office and a new kitchen between Classes 5&6. Please take the opportunity to appreciate the completed High School Plaza area and the verdant grassed areas at the upper primary adventure playground.

This term we have a PD day for staff on August 20th. This day will piggy back off the ‘Heart Thinking’ Anthroposophical Society Conference that is being held around that time. When opportunities appear to hear great speakers and attend transformational workshops in WA, we need to savour the chance. You are urged to register to attend the Anthroposophical Conference and enjoy the fellowship at Point Walter. These opportunities are infrequent.

The proposed term dates for 2019 are published in this week’s Pabulum. Parents are reminded not to take children out of school for holidays. The State Government has reminded schools of its obligations for ensuring compulsory attendance is maintained. More than that though, children are missing parts of valuable main lessons, a range of classes and their absence significantly affects the social engagement that comes from working as a class group. There are approximately 13 weeks of school holidays. Please use those times for getaways.

The Open Day and School Fair is coming up at the end of August. Let’s make it a festive celebration of the school. Keep an eye out for ways to promote the day and join in with the activities. Thanks to the P&F for all their work with this day of celebration.

Welcome to Jadon Henderson who joins the school as a High School English teacher and Leisa Jefferey as a Finance Assistant. Please make them feel welcome. In other news, recent graduate Avalon has been helping out in the office while Melanie (Receptionist) has been away. Thank you. Mark (HS Coordinator) is away until Week 4 and Maria has moved from Finance to play a

EARLY CHILDHOOD

FROM THE CO-ORDINATOR

Be aware.
There is an exciting new arrangement in the castle down at the Rose/Rainbow playground. It brings forth great new play opportunities for the 5 and 6 year olds. However, it is not safe for younger siblings at all. So, parents, please have a look at the new set up and supervise all children with a new vigilance before and after school.

Be grateful.
We are so grateful for the effort from the wide-reaching multi-talented team who have brought together the renovated and refreshed classroom environment of Cedar House. Your names are too numerous to mention, but YOU KNOW WHO YOU ARE! At all levels of our school’s organisation, formal and informal, there has been such goodwill and skill brought to the task. Thank you.

Be up-lifted.
A wonderful aspect of our school community is the inter-generational sharing that takes place. See the Craft Group on Tuesdays up there at the canteen. Grandmas deftly working their way with the yarns alongside the young first-time parents with their babes in tow. Some are artists in their own right, all are sharing skills. Our teaching practice also shows the sharing of the generations. Many Early Childhood staff attended the July Intensive with Lakshmi and Patries, along with a vibrant group with a full range of ages and levels of experience. Our gratitude to Rudolf Steiner College for bringing us this opportunity.

Be supported.
Lakshmi’s talk last night was a big warm circle of wisdom and acceptance. Encountering each other in this warm space surely sets the tone for our children’s journey together. The children will be held securely as they take their steps into the world if we can continue to provide this foundational community for them.
Congratulations to the Class 11/12 Drama students for their beautiful performances of ‘The Season at Sarsaparilla’, last term. A big thank you to Paul Dennis for taking fantastic photos, to Sharon Symes for the fabulous 60’s hairdo’s and the wonderful support she always gives to drama students. Thank you also to Sita Wong for her presence and support during Saturday rehearsals was invaluable. Thanks to Collin, Matt, Anna and Glenis - the students and I feel so blessed to work with such an amazing and dedicated team. Most of all thank you to the Drama Elective students who worked so incredibly hard during the last weeks of term to perform one of the most challenging plays we have undertaken. Their smiling, joyful faces backstage after the play continue to uplift and inspire me. Such a beautiful, caring, talented group of young people! Such a gift to us all!

See photos over the next two pages.

Many thanks,
Donna Kerr - Drama Teacher
CLASS 12 PROJECTS
For my Class 12 Project I am asking the question “How does social media affect our mental health through sleep deprivation, cyber-bullying and depression?” I have found this topic to be quite confronting and disturbing because as a teenager social media and technology is a huge part of my life and those around me. My research has led me to make some changes in my own life - but it is not easy.

For my Project Practical I have created a blog and a Facebook page for parents to engage and as a useful resource hoping to raise awareness of these issues. Please go to: https://rosalielane0.wixsite.com/mediaandmentalhealth https://www.facebook.com/Social-media-and-mental-health1600037403394792/

I am also planning to hold a showing of the documentary called ‘Screenagers’, an American film about a parent’s investigation into the use of smartphones, in Williams Hall on Friday, 3rd August. It will be $10 per presale ticket and $15 to purchase a ticket at the door.

Tickets are being sold online via: https://www.trybooking.com/WMLY
To see the trailer for this film please go to: https://www.youtube.com/watch?v=LQx2X0BXgZg

These issues are really impacting all our lives. Please visit these links for more information and to help me with my Project Practical!

Thank you,

ROSALIE LANE.

MAINTENANCE & GARDENING

Littering is not acceptable at our school. Rubbish is to be placed in the correct bins provided. Please see Waste Minimisation below for more details on the different bins at PWS and how you can help make our school a Waste Wise School.

Waste Minimisation at Perth Waldorf School - Waste reduction in 2018 will continue to be focused in two aspects of reducing waste to landfill. One aspect is the gradual replacement of some green lid (landfill bins) with yellow lid (recycling bins) and the second aspect is to continue to build Biodynamic compost heaps. Our compost uses onsite waste products including food scraps from Kindy and Primary, wood shavings from PWS Woodwork, and weeds from the grounds. Our vision is to have multiple “same look” recycling stations placed throughout the school. Each station will have a large Recycling bin (yellow lid) a medium size Landfill Bin (green lid) and a 20 litre compost Bucket. Please identify the stations and use them to help reduce our landfill.
PARKING NOTICE!
Dear PWS community, safety has become an issue with people parking across the road from the school gates. Due to traffic conditions parking there is an accident waiting to happen. Please DO NOT park in this area, you will be fined!

There is plenty of parking at Adventure World. Please utilize this space.

WINTER WARMERS

The last season and the coldest, Winter inhales the earth inward. We draw to us introspection, contemplation and patience as the nights become long and days are darker. As the cold mornings break we feel the height of receptive yin energy. Winter is synonymous with the last stage of life and we wear black, blue and white. Plants move underground into the womb of mother earth and we require more warm dense foods, hard cheese, big fish, chicken, meat on the bone, citrus fruits and onions. The autumn harvest of nuts, berries and dried fruits is consumed during Winter.

Staff of Life
Bread is a lovely thing to eat,
God bless the barley and the wheat.
A lovely thing to breathe is air,
God bless the sunshine everywhere.
Earth is a lovely place to know,
God bless the folk who come and go.
Alive is a lovely thing to be,
Giver of life we say - bless thee.
