Guidelines to booklist

The school has a stationary cost which is individual to every class year.
For example:

- In Class 1 every child will be issued with a recorder, this will be billed as a stationary cost.

The school will provide a child with the basic start kit; it is the parent's responsibility to restock items, such as pencils and crayons. Any lost or broken items are the responsibility of **parents to replace**. We recommend that you restock items of the same quality for consistency.
