# GUIDELINES TO BOOKLIST

The school has a stationery cost which is individual to every class year. For example:  
In Class 1 every child will be issued with a recorder, this will be billed as a stationary cost.

The school will provide a child with the basic start kit; it is the parent's responsibility to restock items, such as pencils and crayons. Any lost or broken items are the responsibility of parents to replace. We recommend that you restock items of the same quality for consistency.
