

“At Perth Waldorf School we are committed to promoting the safety, health and wellbeing of children and young people and expect all school staff, parents, students, volunteers and visitors to the school to share that commitment.”

Facilities Grounds and Maintenance Job Description
21st October 2021

Objective

The FGM section of PWS role is to create a safe and beautiful physical environment in which the school can operate. The function of the department is the provision of facilities grounds and maintenance services to the school community. Our staff work as a team to deliver in-time, considered and professional solutions with care and mindfulness of the objectives of the school and its anthroposophical underpinnings. This includes care and reverence for the natural environment, ways of interacting with the physical environment and creative approaches to harmonising the work of our teachers and students with the gardens, grounds and buildings.

Responsibility

Assist in maintaining and improve existing gardens and grounds as directed by the Grounds Lead. Duties include weeding, mowing, planting, fertilising, etc.
