

Expression of Interest for

First Steps

At Perth Waldorf School

Receive the children in reverence, educate them in love, and send them forth in freedom.

This is an introduction group for parents of 1 to 2 year olds who are new to the school and to Steiner child development. The group runs on Monday mornings from 9.15 till 11.15, with 2023 First Semester beginning on Monday 13th February 2023.

Here, parents of 1 to 2 year olds may start to connect with like-minded parents as they learn, teach and support each other. It is led by Brook, a Steiner early childhood educator, skilled in the Steiner approach and open to each new family's uniqueness.

It is a short term introduction group, with a turnover of parents who spend one semester getting their footing in our school community. In this way, we are able to reach out to as many young families as we can. Rather than having a "waiting list" for this group, we will have a conversation with anyone who expresses an interest, to see if this group will meet their family's individual needs. Once your First Steps group closes, you may wish to stay in touch with the parents with whom you have shared this special time. Group leaders will assist in sharing your contact details - with your permission.

Playgroup enrolment and Kindergarten 4 enrolment are each completely separate from our Baby and First Steps groups. Please see our website or ask at Reception for enrolment information about these.

Expressions of interest to join the First Steps group may be made at Reception or on the website. The Early Childhood Co-ordinator will call you for a conversation before each semester begins.
